OW 745

REF LOPES/CREE'S B111536 ON HOPEI PROVINCIAL SERVICE. MESSAGE FROM  
FENN/SHERINGHAM ASKS WHETHER WE SHOULD NOT IDENTIFY THE STATION WE

COVER, ON 1280 KCS, AS SIMPLY HOPEI PROVINCIAL SERVICE WITHOUT

FURTHER IDENTIFICATION OF LOCATION. PLEASE ADISE. 14/0743Z FEB

BU11536 COPY TO SEWELL AND FOS  
CRUISING

CHINA (CPR) DOMESTIC 11FEB 69

REF SEWELL'S V110427 NUMBER 028, REQUESTING FREQUENCIES

AND ANY KNOWN SCHEDULE OF SHINCHIACHUANG HOPEI.

OKINAWA BUREAU RECORDS DO NOT LIST A SHINCHIACHUANG STATION

IN OPERATION SINCE FEBRUARY 1959. OPERATION OF A SHINCHIACHUANG

BROADCAST STATION WAS LAST CONFIRMED IN FEBRUARY 1959 ON 1250

KCS, WHEN SIGNAL STRENGTH OF THE TRANSMITTER, STATION IDENTIFICATION,

AND LOCAL PROGRAMING INDICATED BROADCASTS DIRECTED TO A CITY-WIDE

AUDIENCE. THE SAME LOW-POWERED STATION WAS HEARD IN THE MID-FIFTIES

PAGE 2 RUAOEUA 0085 UNCLAS

ON 1435 KCS.

OPERATION BY MEDIUM-POWERED TIENTSIN TRANSMITTERS, SERVING

LOCAL LISTENERS, IS ANNOUNCED AND OBSERVED AS FOLLOWS:

FIRST STATION ON 870 KCS, SECOND STATION ON 1070 KCS, AND THIRD

STATION ON 1390 KCS. OPERATION OF A FOURTH CITY STATION HAS

ITS OPERATION ON 790 KCS WAS CONFIRMED BY MONITORING.

A HIGHER POWERED TRANSMITTER ON 1280 KCS SERVED TIENTSIN

LISTENERS UNTIL MARCH 1965.

BUREAU RECORDS ON THIS TRANSMITTER FROM THE PERIOD MARCH-MAY 1965

ARE LACKING, BUT IN MAY 1965 THE STATION ON 1280 KCS DROPPED THE

"TIENTSIN" IDENTIFICATION AND BECAME SIMPLY "HOPEI PROVINCIAL SERVICE,"

ITS PROGRAMING CHANGING ACCORDINGLY. WHETHER BETWEEN MARCH AND

MAY OF THAT YEAR THE FACILITY WAS TRANSFERRED OUT OF TIENTSIN

TO WHAT WAS IDENTIFIED BY NCHA IN MARCH 1968 AS THE PROVINCIAL

CAPITAL, SHINCHIACHUANG, IS CONJECTURAL, ALTHOUGH THAT CITY APPEARS

MORE OFTEN THAN ANY OTHER IN NEWSCAST DATES LINES. LOPES/CREE SN
